Developing ideas that deliver exceptional results

Trisparks is a brand design agency formed in 2007. We have been driven positively in providing expertise in various industries locally & internationally. With some clients we do it all from ideation to activation – from stand-alone activities to fully integrated ideas that slot into a much larger picture. We can help you develop new ideas or activate fully formed ones.

TRISPARKS

We design brands that ignites, inspires and move people.
We help companies stand out through design and technology

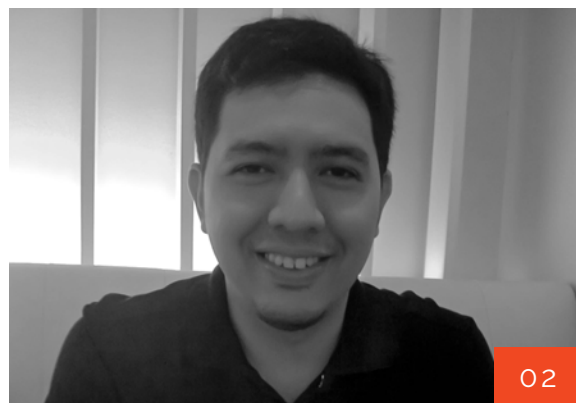

Over the years, we have undertaken a number of projects and responded to the challenges that came with it, and each project is undertaken in intricate detail, with proper planning in the inception stages right to its implementation.

We see the importance of design & technology, in its fast and ever-changing arena and its vitality in such industries. We are able to participate in any related project as and when needed :

- Advertising
- Themed environment
- Exhibitions, museums & world expos
- Facility management & consultation
- Hardware & technological solutions
- Digital content creation
- Fabrication & maintenance
- Brand experience & activation
- Digital & experiential marketing
- Brand identity solutions
- UI / UX architecture
- 3D holographic display
- Motion graphics

“ A designer knows he has achieved perfection not when there is nothing left to add, but when there is nothing left to take away. ”

Antoine de Saint-Exupéry

A photograph of a billboard structure extending from a pier into a calm body of water. The billboard is a simple rectangular sign with the text "YOUR AD HERE" in a bold, sans-serif font. The structure is made of dark metal and is reflected in the water. In the background, there are hazy mountains under a cloudy sky.
